CONNOLLY  
MEDICAL LTD.

DR. MICHAEL EDYE IS AMONG THE

# TOP COLORECTAL SURGEONS AND GASTROENTEROLOGISTS

## March is National Colorectal Cancer Awareness Month

This year more than 120,000 people will be diagnosed with colorectal cancer. Colorectal cancer is preventable nearly 90 percent of the time. However, early diagnosis is critical. The most common symptom of colorectal cancer is no symptom at all so know your risk factors and get screened.

Castle Connolly Medical Ltd. is the publisher of *America's Top Doctors*®, *America's Top Doctors*® for Cancer and *Top Doctors New York Metro Area* and the source for Top Doctors articles in Chicago, New York, Atlanta, and Oklahoma magazines in addition to others throughout the nation. Physicians included in Castle Connolly's Guides and on its website ([www.castleconnolly.com](http://www.castleconnolly.com)) have been selected based on extensive surveys of physicians nationwide. All physicians who are nominated undergo an extensive review of credentials by Castle Connolly's physician-led research team. Doctors do not and cannot pay to be included.
